

LE KING,
C'EST MOI!

Product Data Sheet

Name	Kingfish / Yellowtail mackerel / Hamachi (<i>Seriola lalandi</i>)
Product code	KING3000.4000; KING4000.5000; KING5000.6000; KING6000.7000; KING7000.8000
Size	3000-4000g; 4000-5000g; 5000-6000g; 6000-7000g; 7000-8000g
Origin	FRESH Völklingen GmbH, Deutschland
Technology / Quality	FRESH produces premium quality sea fish in large saltwater pools without access to the sea. The water is purified organically in a completely closed loop water circuit. Thanks to the proximity to the consumers, the fish offers true "catch of the day" quality. The flesh is very firm in structure, easy to process and free from unwanted environmental influences.
Nutritional information	152 kcal / 100 g; 6% total fat; 23.6% total protein; 0.4% carbohydrates
Consumption period	up to 14 days from the date of catch, if stored at +2° C
Processing / delivery	The freshly caught fish is delivered on ice, in containers of 3, 5 or 10 kg. Processing and delivery dates are available upon request.
Certification of raw materials / feed	FRESH feed is certified as organic, free of all toxins and does not contain ethoxyquin. The fish feed has a high content of natural Omega 3, ensuring a perfectly natural taste. All marine feed raw materials (fish oil and fish meal) are produced from the by-products of MSC certified marine fish for human consumption. Composition (alphabetically): fishmeal, fish oil, peas, rapeseed, soybeans, sunflower seed meal, vitamins and minerals, wheat
FRESH sets new standards for resource-conscious fish consumption:	<ul style="list-style-type: none"> - Breeding in crystal clear, organically purified water - No environmental toxins, no antibiotics, no growth promoters - Feeding with organic-certified food without feed additive ethoxyquin (E 324) - With catch date and freshness guarantee - Full traceability - Short transport times and distances - Careful use of resources and the environment - Direct and fair business with local partners - Swiss and German production quality standards
Certification of fish	 FRESH fish is certified according to Friends of the Sea sustainability criteria (fos.org)  The requirements of the WWF Seafood Group are met
